

# We need your smiling faces!

Civil Service and Commissioned Corps Nurses

The Career Development Committee for the Nurse Professional Advisory Committee (N-PAC) is searching for pictures of nurses in action. Examples include the Tsunami Relief, the Hurricane deployments, at the bedside with your patient, conducting research at NIH, or any of the millions of things that Nurses do.

The Career Development Committee wants to “spiff up” our new website with real life YOU!

If you have any pictures that you don’t mind sharing, and that maintain the privacy and integrity of the patient, please send to them along with the attached release form to CDR Ron Keats @ [ron.keats@ihs.gov](mailto:ron.keats@ihs.gov).

Your help is really needed and GREATLY appreciated.

**\* Please fill out and return the attached consent form when you send in your pictures\***
